Ms. Claire Osborn
Love the Pearls

Dear Ms. Osborn,

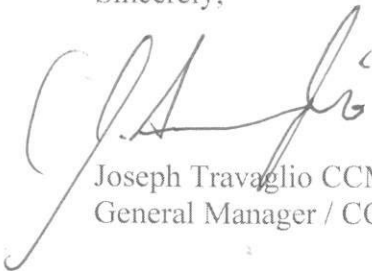

Inverness Golf Club recently held a "Love the Pearls Event" and although I was initially very skeptical hosting this event, the presentation was very well received and a spectacular time was had by all.

The professionalism, quality, uniqueness and large assortment of jewelry were extremely impressive. The "Discovering the World of Pearls" presentation was very informative and entertaining. All of the attendees were very intrigued to learn about pearl varieties, culturing and production, pearl history, grading and quality and the how to's of purchasing pearls.

Inverness Golf Club would highly recommend this "Love the Pearls Event" to every Club across the nation and would strongly encourage them to take part in this program.

Once again, thank you for your expertise and enlightening our members to the world of pearls.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Travaglio". The signature is fluid and cursive, with a long, sweeping underline that extends to the left and then loops back under the name.
