To Whom It May Concern:

As General Manager of Butterfield Country Club, Oak Brook, Illinois, I am happy to endorse the "Love The Pearls" program. Butterfield is one of the premier country clubs in Chicagoland.

After meeting with Claire Osborn, one of the company representatives, the club decided to hold a special "Love The Pearls" ladies luncheon. The response from over 120 ladies in attendance was very positive; enough that Butterfield will be holding another event next year!

As I like to say..."It's A No Brainer"! All I had to do was develop the menu, mail out invitations to the club ladies, and serve the meal! "Love the Pearls" did the rest by providing a very entertaining and educational 20 minute pearl presentation and then opened the display area for those ladies wishing to purchase pearls. It should be noted that all of the pearls are Grade A and above. Again, the response from our ladies was overwhelming.

If you should have any questions or need further information, please do not hesitate to contact me at Butterfield Country Club by phoning (630) 323-1000.

Your ladies will love the day!

Sincerely,

John Neidlinger
General Manager
